

The Farms for City Kids Foundation is always grateful for donated items to incorporate into our program here on the Farm. If you would like to donate any of the following items, please contact Rob Macri at 802-484-5822

## **Farms For City Kids Wish List**

**15 x 15 Storage Shed** - To house the kids' tools, BBQ supplies as well as fun items like balls and pond exploration equipment. A generous carpenter is willing to donate his time and teach the children the basic carpentry skills. All that is needed are the materials to build the shed.

**A play ground/swing set** - To be built near the dorm in the play field.

**New pillows and bed linens** - These are 'always needed' items. Our children often come without and leave with (who can deny a child a place to rest their head).

We are looking to create a "sub" or "temporary" list of volunteers. If you have the desire to work with children or require any additional information, please contact [rob@farmsforcitykids.org](mailto:rob@farmsforcitykids.org) or call Rob Macri for details at 802-484-5822.
