

During Your Stay

The very nature of farming calls for long days, with animal chores and farming tasks taking precedent over our own needs. We are aware of these physical demands and therefore, highly encourage teachers and accompanying adults to take scheduled breaks during the day. We **will** rely on you for specific needs, particularly in the late afternoon and evenings. The following are specific areas of responsibility where teachers will be counted upon for supervising and/or leading the children:

- 6:30am Wake up of students and prepare for departure to chores.
- 1-1:30pm Recreation Supervision
- 6-6:30pm Recreation Supervision
- 8:00pm Showers
- 9:00pm Lights Out
